

***National Semi-Final – Trail Qualifier Application – 2021  
Qualifying for the 2021 NSF – Date and Location TBD***

Anglers who would like the opportunity to qualify for the 2021 National Semi-Final Tournament for Connecticut by fishing the 5 Tournament Trail events may do so by entering the “National Semi-Final – Trail Qualifier Division”. The 5 tournaments will take place between August 2020 and June 2021.

**National Semi-Final – Trail Qualifier Division**

Anglers who have paid an entry to fish in the “A” or “B” divisions of the points trail may attempt to qualify for the State Team by paying an additional, one-time fee of \$150 prior to the anglers first tournament. This fee is incremental to the individual tournament entry fees, regardless of what division is fished.

Anglers looking to qualify for the State Team through the trail events will be ranked against each other, using their best 4 out of 5 tournament finishes throughout the course of the season. Points are accumulated over the year and the top finishers are guaranteed a spot on the State Team. The positions are determined by the overall final points ranking, with the Top 8 Anglers receiving a spot on the team.
