February 2nd, 2026

Present were : BioBass, South East,
Northern and Fishing Crew

6:50 pm

Minutes from the last meeting were read and accepted from all present.

Treasures Report: All accounts are in good shape, with membership dues still needing to come in to reach the national threshold of 50 members.

Trail Report: Nothing new to discuss, dates for the 2026 season are April 26th on Candy, May 17th on Zoar, May 31st CT River Hartford, July 26th on Lilli and August 23rd on CT River Haddam.

Opens Report: Sign ups as well as the schedule are up on the website!

Old Business: We are clear to set up a table at the Bass Pro Fishing Sale, no dates set in stone, most likely the first two weeks of March.

The problem scale is to be sent out this week.

Jim will be putting together a jersey order here soon.

New Business: The special bylaws vote passes.

The entry fee for the federation AOY's has been paid.

Matt Marinelli is looking for reimbursement information for nationals for him and Jayson M. as the NSF champions.

Kyle got word that a DEEP supervisor had to say no to the planned youth event this spring, there was talk of looking at the girl scout camp on Candlewood as a possible host location for 2027.

Paul was to check with Crista at nationals regarding insurance information for the Mohegan show.

Nationals is pushing the idea of a kayak division in the near future.

Nationals events are moving to 3 fish limits for co-anglers.

8/1 NSF info must be submitted to nationals.

Paul present a proposal of bylaw edits and changes that were mostly reviewed until the meeting was informed the store was closing so the review was not finished.

7:58 pm

Submitted Respectfully,

Paul Bossardet TBF of CT Secretary
