March 30th, 2026

Present were : BioBass, South East,
Northern and Fishing Crew

5:58 pm

Minutes from the last meeting were read and accepted from all present.

Treasures Report: All accounts are in good shape, membership is sitting around 35 members

Trail Report: Trail Applications are available on the website, first event is April 26th applications have to be post marked by April 16th.

Opens Report: 5 boats for the first open on March 29th, 20.45lbs took the win. Next open is April 19th at Candlewood.

Old Business: The Plainville Public Library will be our new meeting spot for the foreseeable future. The next dates for meetings are April 27th, May 11th and June 22nd.

Jim got the scales back and both have been recertified.

We had a total of 15 people sign up for more information about joining the federation from the mohegan show as well as the Bass Pro fishing sale.

New Business: Nitro Boats and Discount tackle are new national sponsors for this year, Amy is going to look into ordering flags with their logos on them so we can display them at upcoming events.

State team discounts are coming soon.

Matt Miner had to withdraw from the 2026 NSF team (Congrats on the new baby Matt!)

Dave M. is the next boater from the trail to qualify via points so he will fill Matt's spot.

The potential edits to the standing rules section of the bylaws was presented to all those present. Paul will make final edits and send the final draft to club presidents for presentation at their respected clubs.
